

Broodtwister Ovi'nax

The Egg tender

OVERVIEW

Using black blood to experiment on its eggs, the boss will evolve hatchlings into monstrous creatures who will try a variety of tactics to take out your raid team. Intentionally hatch them before they spawn to stop them from getting empowered.

Phases: 1 Hero: P1

SPECIAL NOTES

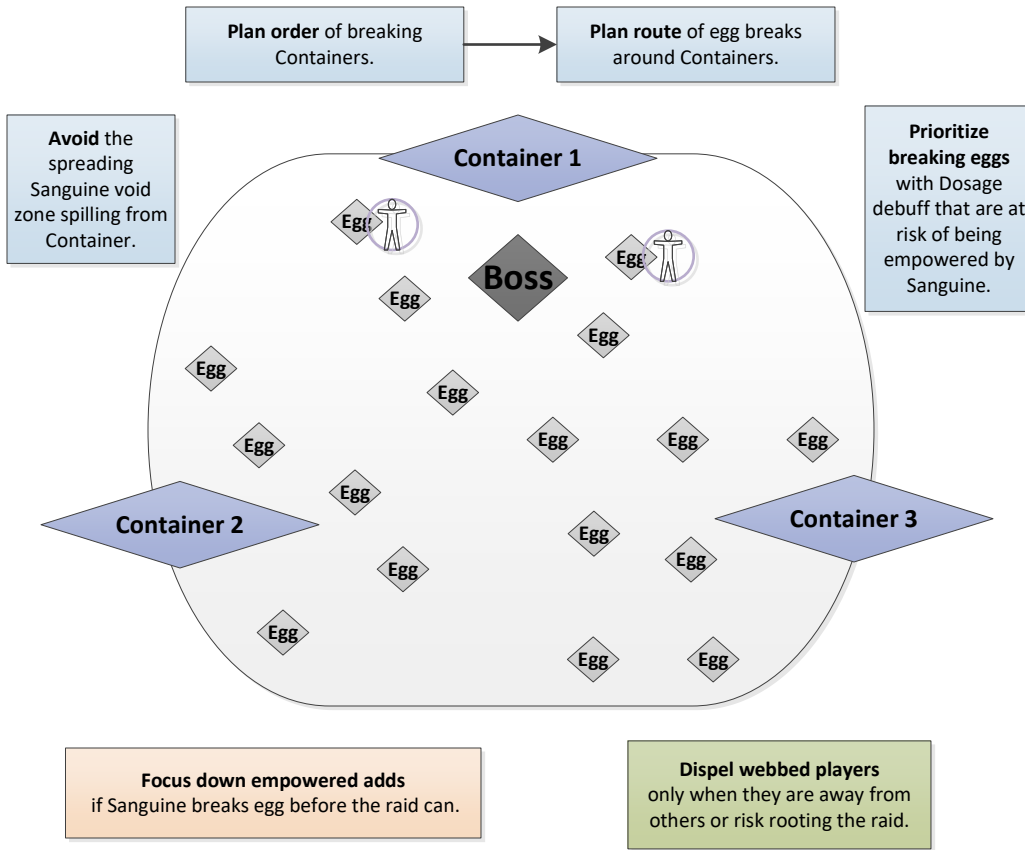

Immunities – N/A

Dispels – Unstable Web

Interrupts – Voracious Worm's Poison Burst

Phase 1

ABILITIES

Experimental Dosage – Players debuffed with purple circle. Upon expiration, deals damage and applies a healing absorb as well as hatches nearby eggs.

Ingest Black Blood – At full energy, boss drinks from the closest of the three containers, causing it to spill out sanguine. Also inflicts raidwide damage and healing absorb debuff.

Caustic Reaction – If the growing sanguine spill touches an egg, causes it to explode with raidwide damage and hatch immediately, gaining a mutated power.

Unstable Web – Players debuffed and slowed, when dispelled, roots and damages players nearby.

Volatile Concoction – Massive DoT applied to target for 8 seconds. Upon expiration, deals damage based on missing health.

Hatched Egg Adds:

Colossal Spider – Tankable. Inflicts nature damage to target, increasing its damage done by 25%. If empowered, also applies healing reduction.

Voracious Worm – Not movable. Interruptible cast (Poison Burst) that deals raidwide damage. If empowered, casting speed increased.

Blood Parasite – Fixates random target, if reached will burrow and spawn more parasites. If empowered, movement speed increased.

Move to other adds, cleave to kill before tank damage is unmanageable.

Not movable but must be interrupted to avoid raidwide damage.

If fixated, kite or risk spawning never-ending parasites.

MYTHIC ONLY

Two **Experimental Dosages** are required to break a single egg. Depending on the Black Blood container that is overflowing, a type of egg will be stronger. When **Sanguine Overflow** touches an egg, it not only hatches instantly but empowers the add inside with new powers.
